The Ultimate Beginner's Guide for Street Photography – ERIC KIM

erickimphotography.com/blog/the-ultimate-beginners-guide-for-street-photography/ ▼

If you are a beginner in **street photography**, all you need is this guide to get started. I was quite frustrated when I started **street photography**. I had no idea what camera to use, what settings to use, what to look for, how to approach strangers, and most of all– how to overcome my fear of shooting in the streets.

Street photography - Wikipedia

https://en.wikipedia.org/wiki/Street_photography ▼

Street photography, also sometimes called candid photography, is photography conducted for art or enquiry that features unmediated chance encounters and random incidents within public places.

Although there is a difference between street and candid photography, it is usually subtle with most **street photography** being ...
