

MONSTER ERIC KIM

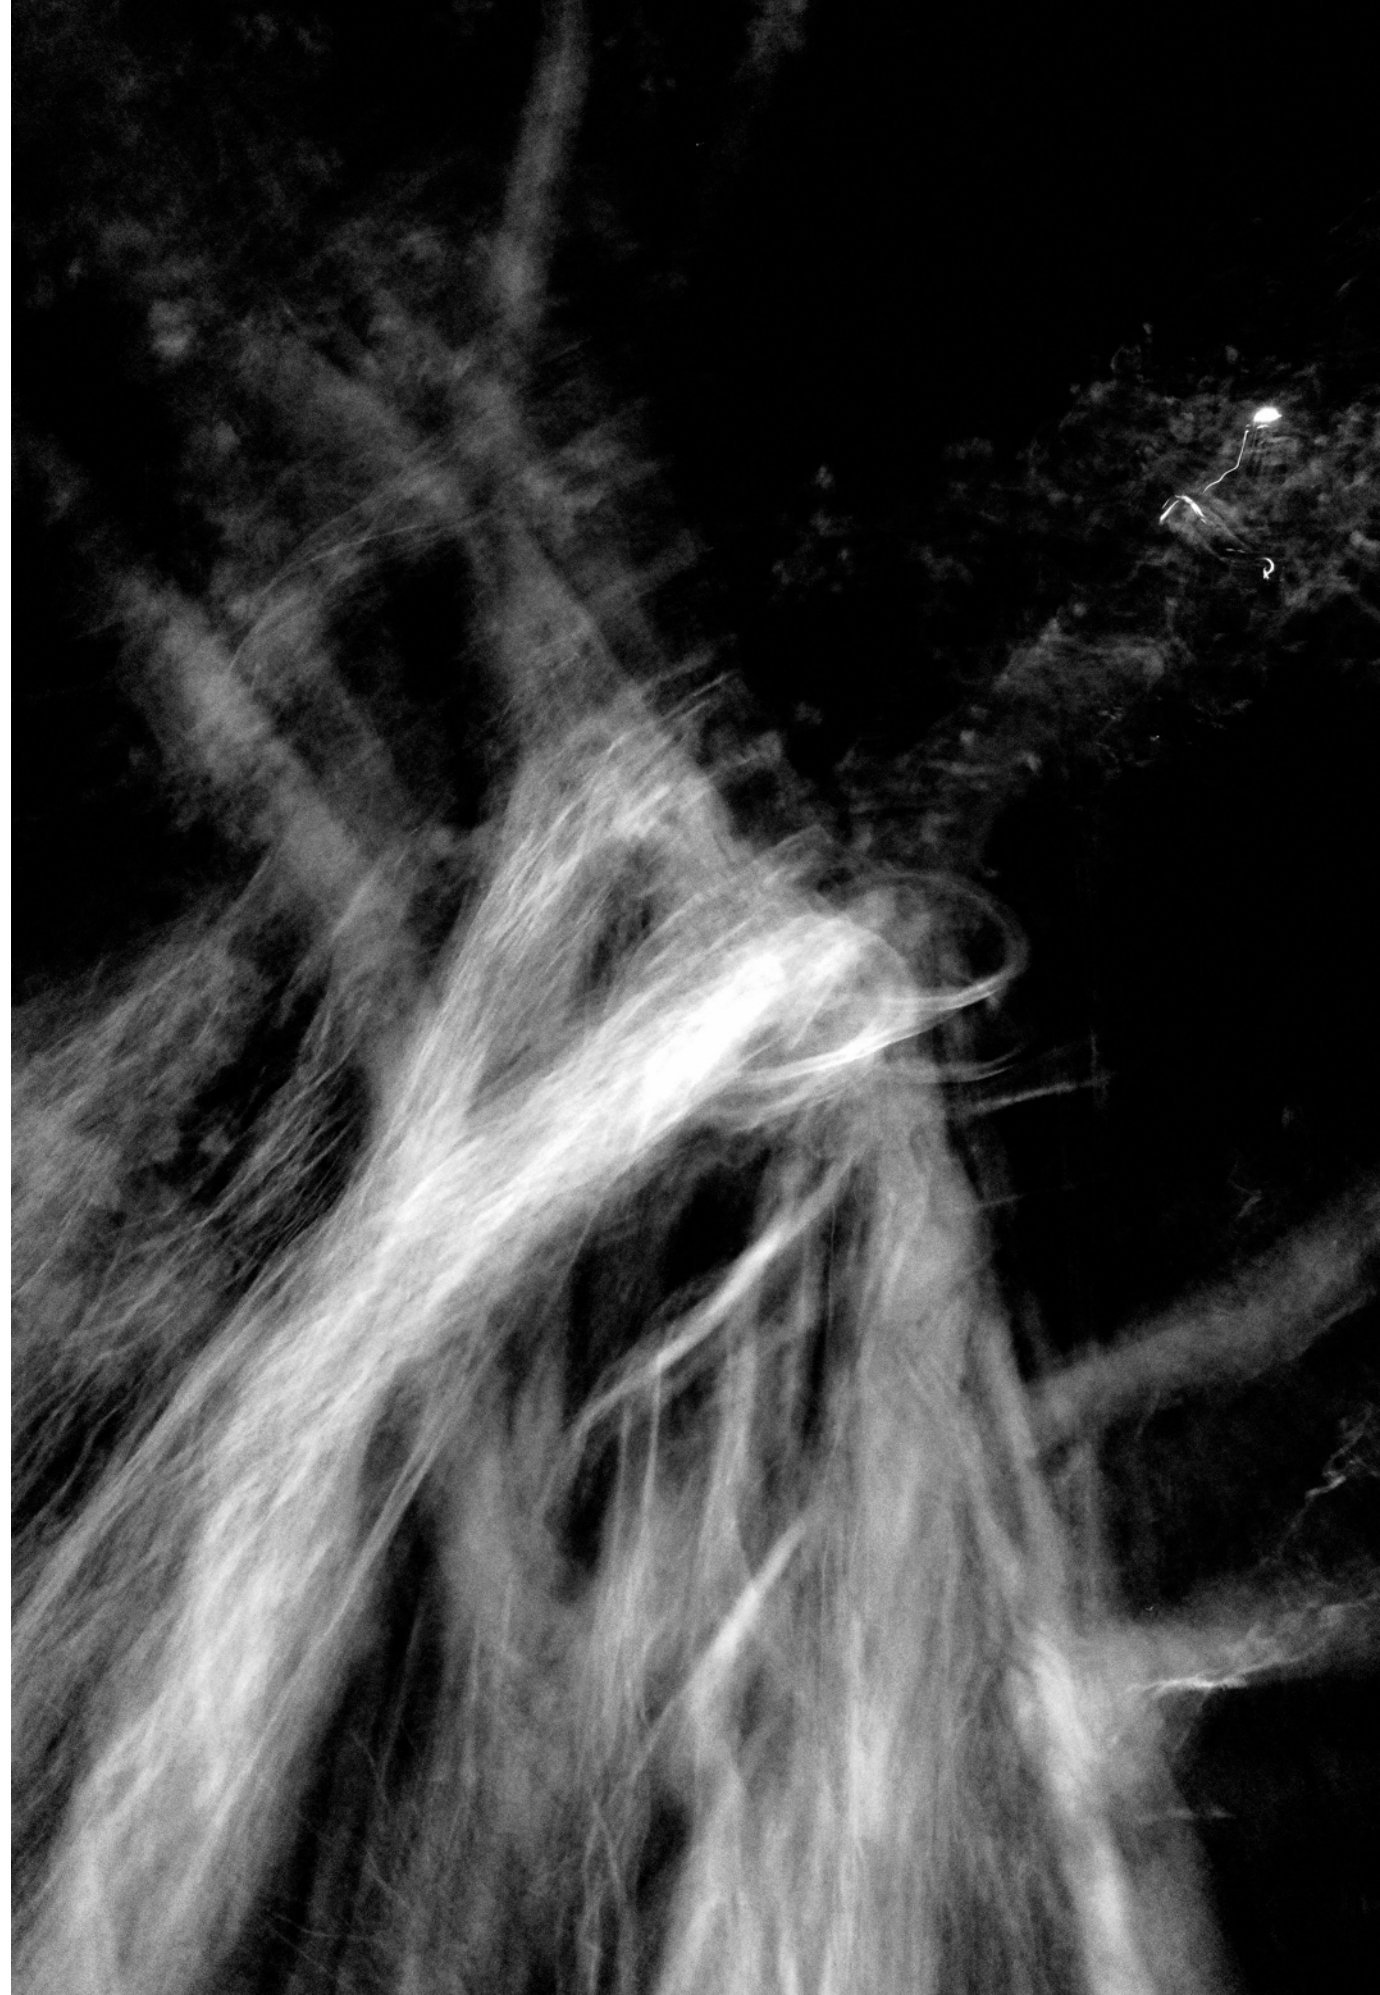

FOLLOW YOUR GUT

When writing or putting together a book or anything, don't take it too seriously. Just make it fun, direct, and honest.

Everything else is bad.

Create like a child!

DON'T CENSOR YOURSELF

How do we screw up? When we censor ourselves. Speak your mind, and speak like you really speak. Write how you speak. Curse if you curse. Don't force yourself to speak a certain way. Booooring!
