A black and white photograph of a wall. On the left, there is a vertical strip of graffiti consisting of a series of connected loops. In the center, there is a large, stylized graffiti tag. To the right of this tag, there is a rectangular sign with the text "CUIDA TU CIUDAD NO TIRES BASURA" printed on it. Above the sign, there is another piece of graffiti that looks like a crown or a series of arches. The wall itself appears to be made of concrete or a similar material, with some texture and shadows.
