

PHOTO VISION

How to Discover Your Creative Vision

ERIC KIM, 2022 // OPEN-SOURCE

A man with glasses and a colorful scarf is the central focus of the image. He is wearing a blue shirt and a grey jacket. The background is a dark, textured brick wall. The image has a digital glitch effect, with horizontal lines of various colors (red, green, blue, yellow, purple) appearing over the man's face and scarf. The text "My Creative Journey" is overlaid on the bottom left of the image in a white, bold, sans-serif font.
